Oracle Learn SIG - Basic Training For Learn Administrators
OHUG Global Conference, 2016
Monday, June 6th, 2016
8:30 am – 12:00 pm

Overview

Although it's called "Basic Training for Learn Administrators" **LearnCenter administrators of any experience level are encouraged to attend this _FREE_ workshop!** Be ready to share your LearnCenter experience with your fellow administrators. This workshop is the perfect way to begin networking at OHUG Global 2016!

Workshop Format

We will be providing an overview of key LearnCenter components, and how you can incorporate them into your learning program. Due to class size, you do not have the opportunity for hands-on exercises, but you are welcome to follow along in your LearnCenter throughout the morning. This workshop is just the beginning, as we have some great sessions planned throughout the conference for new administrators!

Schedule

Begin	End	Topic	Length
